If you need help, please call us! (0049-2372-8440088)

Power: kW

Max. operating pressure: bar

Parameter primary (warm side):

Medium: _____

(In case of water / glycol please specify proportions)

Inlet temperature: °C

Outlet temperature: °C

Volume flow: m³/h

or

Mass flow: kg/h

Pressure loss max.: kPa

Parameter secondary (cold side):

Medium: _____

(In case of water / glycol please specify proportions)

Inlet temperature: °C

Outlet temperature: °C

Volume flow: m³/h

or

Mass flow: kg/h

Pressure loss max.: kPa
